It has been an exciting few weeks watching these facilities upgrades continue! The high school gym, roof, and fields are all on schedule making great progress. Irrigation installation at KPHS is scheduled to begin next week.

Work on the parking lots at WTRMS, Fort Salonga, and San Remo continues as well. The San Remo work (back parking lot) should be completed by July 22. We will then switch our attention to the front parking lot, curbs, and walkways.
Upcoming Scheduled Work:

1. Resurfacing of the HS gym floor is set to begin on July 18.

Places to Avoid:

1. Due to paving and vinyl asbestos tile abatement, WTRMS and Fort Salonga will be closed until further notice. Fields at WTRMS will remain open, with parking in designated areas only.
2. If you need to go to the high school over the next few weeks, use the front parking lot and entrance.
3. For the majority of the summer, the KPHS main gym will be off limits.
4. For the remainder of the summer, the KPHS track, football field, and area surrounding the bleachers will be off limits. For safety reasons, please stay away from this area.

Don’t forget to check our web pages for pictures and additional information:
