It’s hard to believe that we are already into week five of our facilities upgrades! There is much to be excited about as these projects continue to unfold. Parking lot projects are making great progress at Fort Salonga, San Remo, and William T. Rogers. The KPHS field renovations continue as well. Check out the pictures below.
Upcoming Scheduled Work:

1. Resurfacing of the HS gym floor will continue throughout the week.
2. High school field irrigation is delayed, and is now set to begin the first week of August.
3. Installation of bleachers at the KPHS gym is set to begin on 8/15.

Places to Avoid:

1. The high school back parking lot is off limits until further notice. If you need to go to the high school, please go to the front parking lot.
2. Due to paving and vinyl asbestos tile abatement, WTRMS and Fort Salonga will be closed until further notice. Fields at WTRMS will remain open, with parking in designated areas only.
3. For the majority of the summer, the KPHS main gym will be off limits.
4. For the remainder of the summer, the KPHS track, football field, and area surrounding the bleachers will be off limits. For safety reasons, please stay away from this area.

Questions & Answers:

Q: Will the district be installing lights on the new multipurpose field? 

A: Yes, but the installation of the lights will occur next summer. This part of the project requires a much lengthier approval process. The lights will be a part of the Phase 2 work next summer, which will also include the installation of a larger concession stand with bathrooms.

Don’t forget to check our web pages for pictures and additional information:
