Great progress has been made on some of our facilities upgrades since our first update. The high school gym bleachers have been taken out and renovations to the ceiling have started. Work has also begun on the multipurpose field replacement and continues on the KPHS roof as well.

Below, paving and vinyl asbestos tile removal began at Fort Salonga last week. (Work begins at WTRMS this week—please see “places to avoid” below).
Upcoming Scheduled Work:

1. Irrigation installation at KPHS has been delayed due to the permitting process. Work should begin on 7/11.
2. Resurfacing of the HS gym floor is set to begin on 7/18.

Places to Avoid:

1. *NEW*: Due to paving and vinyl asbestos tile abatement, WTRMS and Fort Salonga will be closed until further notice. Fields at WTRMS will remain open, with parking in designated areas only.
2. If you need to go to the high school over the next few weeks, use the front parking lot and entrance.
3. For the majority of the summer, the KPHS main gym will be off limits.
4. For the remainder of the summer, the KPHS track, football field, and area surrounding the bleachers will be off limits. For safety reasons, please stay away from this area.

Don’t forget to check our web pages for pictures and additional information:
