The summer is here, and facilities work is under way! Below you will find some information and photos of the work that either began this week or will begin in the coming days.

**Kings Park High School**

- Locker room renovations – all physical education and team locker rooms will be renovated this summer. The demolition work has already begun.
- Bathroom renovations – this project is ongoing since this past spring.

**William T. Rogers Middle School**

- Roof Replacement Project – this summer we will be removing and replacing the higher portions of the roof and finishing this project. As previously shared, the remaining work that is needed requires specialized asbestos abatement. Make sure to observe all posted signs. Generally, it is a good idea to avoid this area until the work is completed. Work is scheduled to begin as early as tomorrow.
• Bathroom renovations – this project is ongoing since this past spring.
• Gymnasium bleachers replacement – Workers began disassembling the old bleachers this past Monday.

RJO Intermediate School
• Track renovations (grant funded)

Fort Salonga Elementary School
• Complete roof replacement – staging has already begun, and work could start as early as tomorrow. Generally, it is a good idea to avoid this area until the work is completed.

Check your email and our school district website (www.kpcsd.org) this summer for additional weekly updates!

Thank you, and have a great 4th of July!
